Navy Voluntary Education (VOLED)

ESO/CCC
Navy College Programs & Services

Navy College Programs

Established in 1974 there are currently 32 Navy College Offices and the Virtual Education Center serving Sailors Worldwide!

https://www.navycollege.navy.mil

ESO/CCC Support

Navy College Programs support the Command ESO & Career Counselor

- Provide a centralized location for academic guidance.
- Share command education statistics & reports.
- Assist Navy personnel in gaining new knowledge to become more productive.
- Promote the productive use of Sailor's off-duty time.
- Ensure on base/on board education programs are compatible with operating schedules.
- Supports fleet readiness & mission accomplishment.

DOD MOU

- Effective September 6, 2014, all educational institutions must adhere to the following guidelines to apply for the DoD MOU program and be authorized to participate in the military tuition assistance (TA) program:
- Institutions must be accredited by a national or regional accrediting body recognized by the Education Department (ED).
- TA DECIDE engine is fueled by recognized and trusted data sources providing up to date information on educational costs and outcomes to compare educational institutions. https://www.dodmou.com/TADECIDE/
- VA approved
